

Retrouve les notes de ces mélodies

La première note de la mélodie est notée.. Ensuite c'est un chemin par ton et demi-ton...

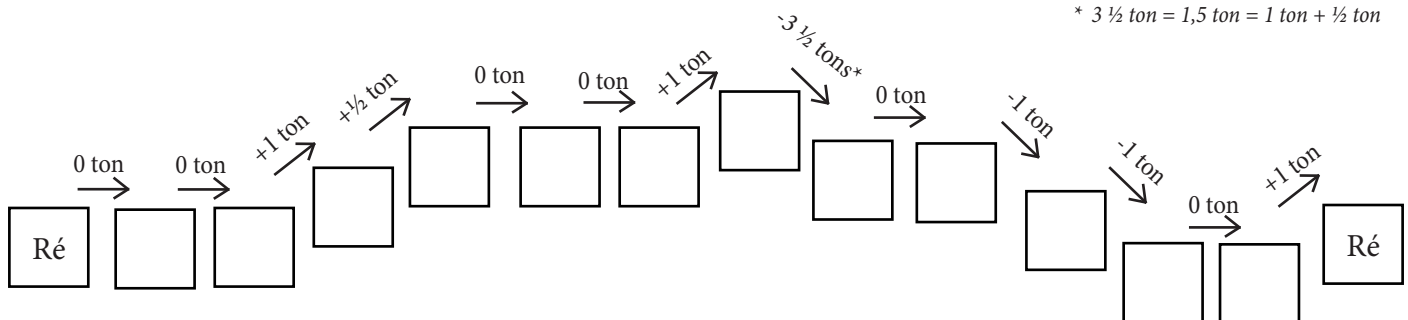

Tu dois :

1. Retrouver les notes
 2. Écrire ça sur une portée (cléf de sol)
 3. Jouer la mélodie à un instrument
- ... Sauras-tu retrouver d'où elle vient ?

Niveau 1

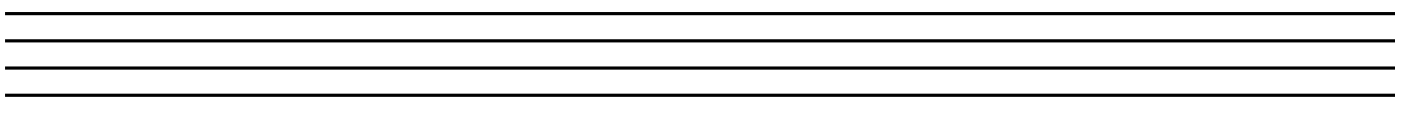

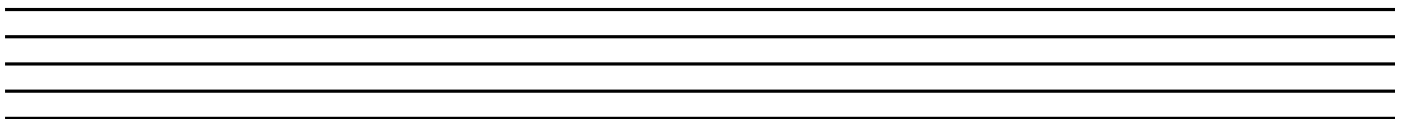

Niveau 2

* $3 \frac{1}{2} \text{ ton} = 1,5 \text{ ton} = 1 \text{ ton} + \frac{1}{2} \text{ ton}$

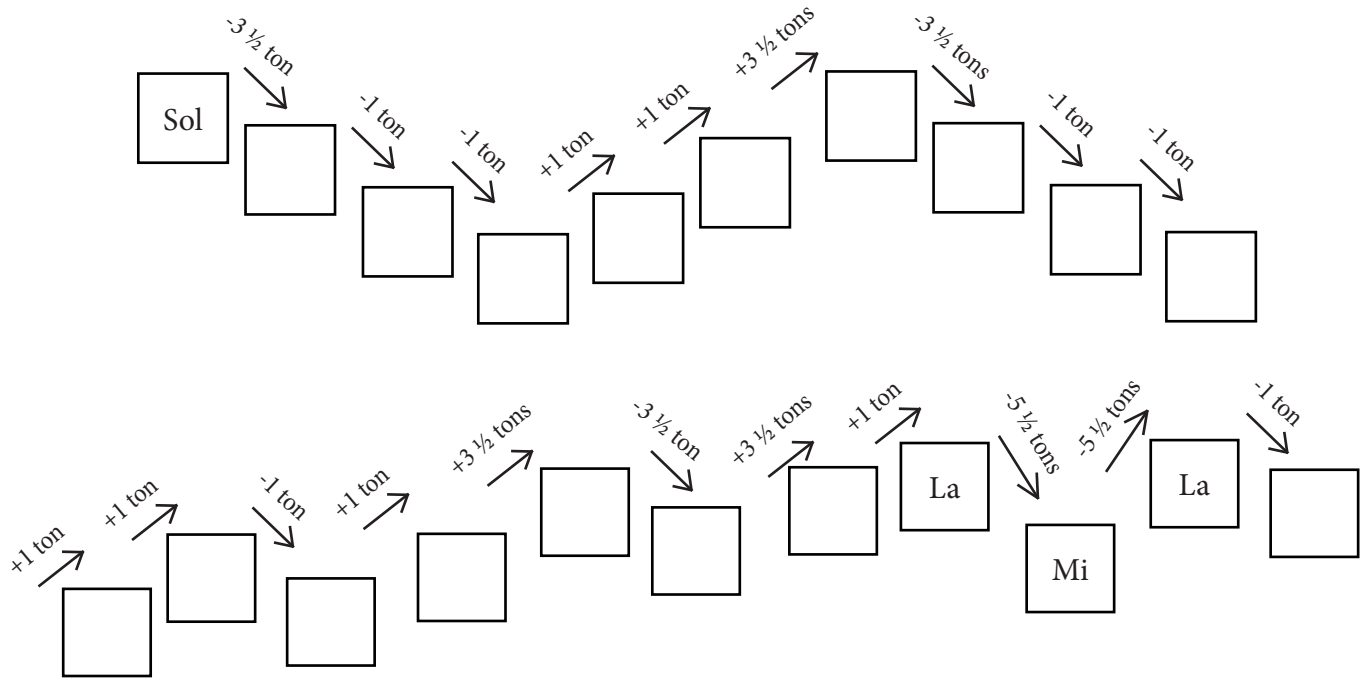

Avant de démarrer cette mélodie , tu peux jouer les notes La et Do (en dessous du ré)

Retrouve les notes de ces mélodies

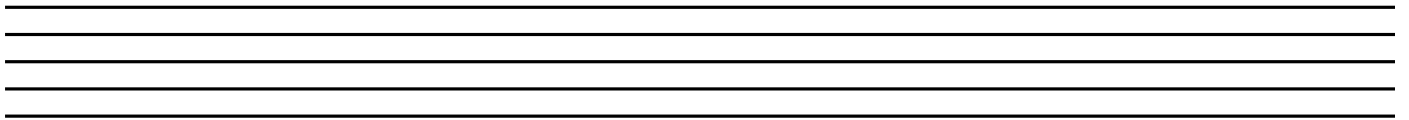

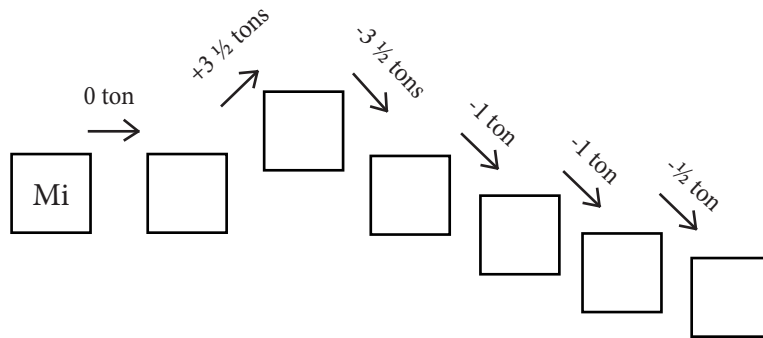

Niveau 5

Si tu es très à l'aise avec l'exercice, tu peux commencer par la note Si au lieu de Sol... mais ça complique bien l'exercice !!

Niveau 3

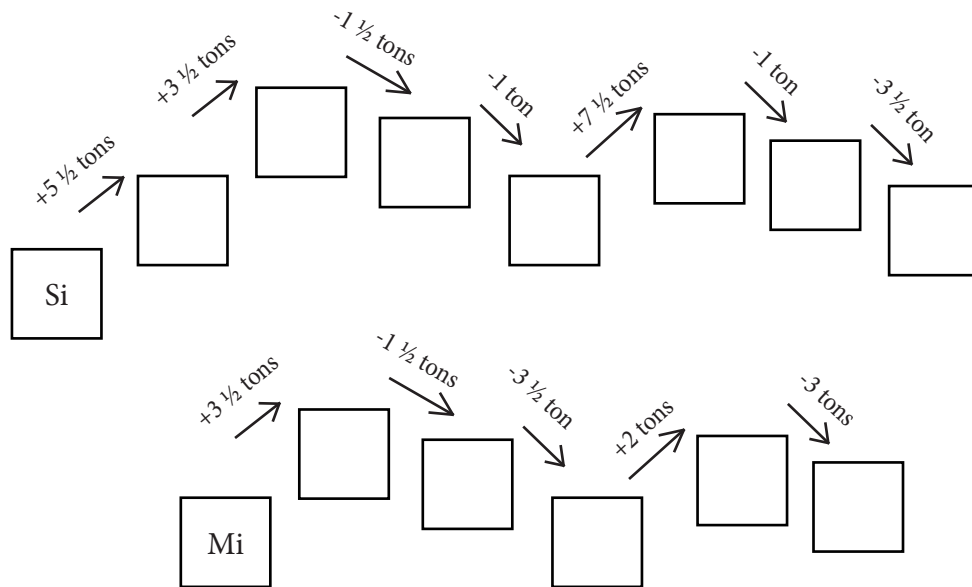

Niveau 4

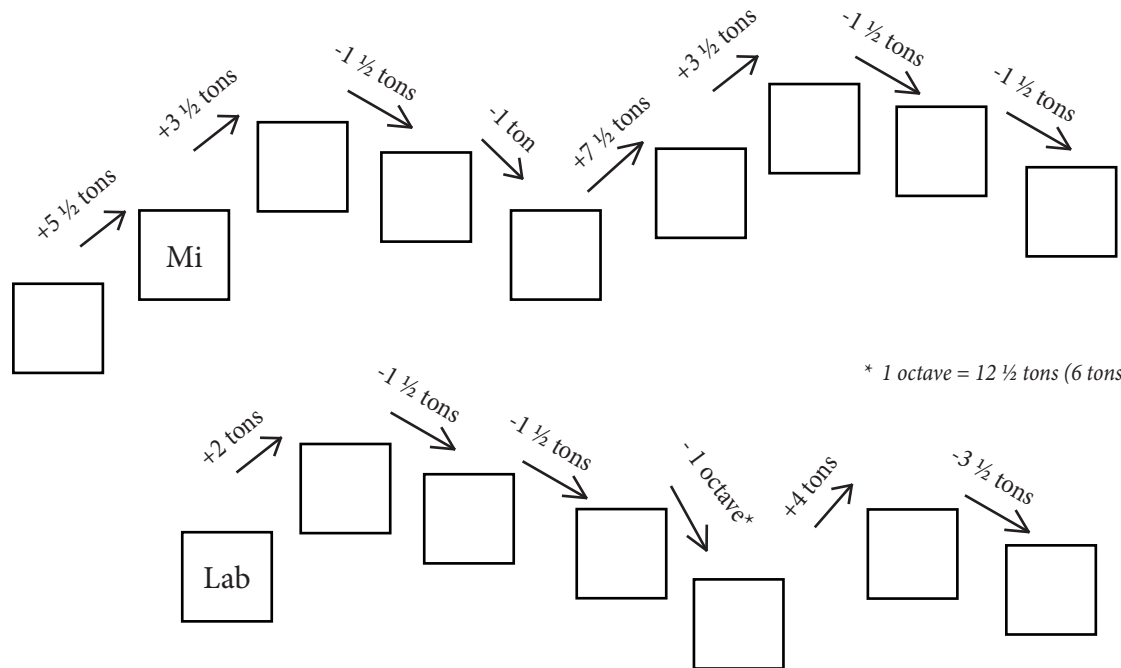

Retrouve les notes de ces mélodies

Niveau 6

Portée 1

Portée 2

* 1 octave = $12\frac{1}{2}$ tons (6 tons)

Handwriting practice lines consisting of three sets of five horizontal lines each.

Retrouve les intervalles de ces mélodies

Mélo 1

The diagram shows a two-story building layout. The top floor has a horizontal line with several rectangular rooms. From left to right, the first room is labeled 'Mi', followed by an empty room, an empty room, an empty room, an empty room, an empty room, an empty room, and a room labeled 'La'. The bottom floor has a horizontal line with several rectangular rooms. From left to right, the first room is labeled 'Do', followed by an empty room, an empty room, an empty room, an empty room, and a room labeled 'Do'. An arrow points to the first empty room on the top floor.

Mélo 2

The diagram illustrates a 2D lattice structure with two rows of sites. The top row contains sites labeled 'Sol', 'Sol', 'La', and several empty boxes. The bottom row contains sites labeled 'Sol', 'Sol', and several empty boxes. An arrow labeled '0 ton' points from the first 'Sol' site in the top row to the 'La' site.
