

Alrighty Aphrodite

Peach Pit

Intro

Couplet 1

Take a seat back in your clamshell
If the oceans not enough, nor am I
Rollin in, I feel a dark swell
Crawling up the skin of my spine

If I'd known you sold on maybe
I'd a let you waste another guy
Well Alrighty Aphrodite
Go whip that red for other eyes

Couplet 2

Run your morning bath in sea foam
Soak your milky skin in the tide
Little pearl you think you're in gold
But I can see the dirt in your lines
