

Fragments Of Time

(feat. Todd Edwards)

Couplet 1

Driving this road down to paradise
Letting the sun light into my eyes
Our only plan is to improvise
And it's crystal clear
That I don't ever want it to end
If I had my way I would never leave
Keep building these random memories
Turning our days into melodies
But since I can't stay

Refrain

I'll just keep playing back
These fragments of time
Everywhere I go
These moments will shine

Couplet 2

Familiar faces I've never seen
Living the gold and the silver dream
Making me feel like I'm seventeen
And it's crystal clear
That I don't ever want it to end
If I had my way I would never leave
Keep building these random memories
Turning our days into melodies
But since I can't stay

Refrain

Solo (fin : Breaks)
