

# Try It Again

*The hives*

## **Intro** (*doo wacko*)

### **Couplet 1**

Here is to you honey  
But I'm out of your league  
Never gonna pass me  
'Cause I'm out of your league, your league, your league

Lookie here baby  
You're coming my way  
But I move like a landslide  
So get out of my way and stay away

### **Pré-refrain**

Up from the floor on the count of ten  
Oh you get up, you get down and you try it again

### **Refrain**

Up and down and around again  
Oh you get up you get down and you try it again  
Up and down and around again  
Oh you get up you get down and you try it again  
Oh you get up you get down and you try it again

### **Interlude**

All right! Oh Oh Oh

### **Couplet 1**

Time to learn a lesson  
Like Pavlov's dog  
If same-ing isn't working  
Why don't you different instead, instead, instead

Like Samson and Delilah  
Attila and the Huns  
You're ready for a new round  
Don't it look like it's gonna be fun, be fun

*Try it again 1/2*

## **Pré-refrain**

## **Refrain**

## **Pont**

## **Interlude**

They say the definition of madness is doing the same thing and expecting a different result...

That's right!

## **Outro**

Doo wacko! Up and down

Doo wacko! Down and up

Doo wacko! Round for round

Doo wacko! Hit the ground

Doo wacko! Up and down

Doo wacko! Ah you get up you get down and you try it again

Down and up

Doo wacko! Ah you get up you get down and you try it again

Round for round

Doo wacko! Ah you get up you get down and you try it again

Hit the ground

Doo wacko!

Ah you get up you get down and you try it again [x4]
