

# China Girl

**A**

I could escape this feeling with my China girl  
I feel a wreck without my little China girl

**B**

I hear her heart beating loud as thunder  
Saw the stars crashing

**A**

I'm a mess without my little China girl  
Wake up in the morning, where's my little China girl

**B**

I hear her heart's beating loud as thunder  
I saw the stars crashing down

**C**

I feel tragic like I'm Marlon Brando  
When I look at my China girl  
I could pretend nothing really meant too much  
When I look at my China girl

## Paroles pour solo ?

*I stumble into town  
Just like a sacred cow  
Visions of swastikas in my head  
Plans for everyone  
It's in the white of my eyes*

*My little China girl  
You shouldn't mess with me  
I'll ruin everything you are  
You know it  
I'll give you television  
I'll give you eyes of blue  
I'll give you a man who wants to rule  
the world*

**C**

And when I get excited  
My little China girl says,  
"Oh baby just you shut your mouth."  
She says, "Sh." (x2)  
She says (x2)
