

When i was your man

Couplet 1

Same bed but it feels just a little bit bigger now
Our song on the radio but it don't sound the same
When our friends talk about you, all it does is just tear me down
'Cause my heart breaks a little when I hear your name

Pré-refrain

It all just sounds like (Ooh, ooh)
Mm, too young, too dumb to realize

Refrain

That I should've bought you flowers
And held your hand
Shoulda gave you all my hours
When I had the chance
Take you to every party
'Cause all you wanted to do was dance
Now my baby's dancin'
But she's dancin' with another man

Couplet 2

Uh, my pride, my ego, my needs, and my selfish ways
Caused a good, strong woman like you to walk out my life
Now I'll never, never get to clean up the mess I made, oh
And that haunts me every time I close my eyes

Pré-refrain

Refrain

Pont

Although it hurts
I'll be the first to say that
I was wrong
Oh, I know I'm probably much too late
To try and apologize for my mistakes
But I just want you to know

Refrain
