

Logical Song

When I was young
It seemed that life was so wonderful
A miracle, oh it was beautiful, magical
And all the birds in the trees
Well they'd be singing so happily
Oh joyfully, oh playfully watching me

But then they sent me away
To teach me how to be sensible
Logical, oh responsible, practical
And then they showed me a world
Where I could be so dependable
Oh clinical, oh intellectual, cynical

There are times, When all the world's asleep
The questions run too deep, For such a simple man

Won't you please, Please tell me what we've learned
I know it sounds absurd Please tell me who I am

I said now what would you say
Now we're calling you a radical
A liberal, oh fanatical, criminal

Oh won't you sign up your name
We'd like to feel you're acceptable
Respectable, oh presentable, a vegetable!

But at night, when all the world's asleep,
The questions run so deep
For such a simple man

Won't you please, Won't you tell me
Please tell me what we've learned
Can you hear me, I know it sounds absurd
Why won't you help me

But please tell me who I am, Who I am, who I am, who I am
