Couplet 1

Well, now, Sa-Sa-Sally
Hey, be with me tonight
I got a thing I wanna show you
Hey, be with me tonight
We're gonna ride it together
'Cause we're victimized
Oh, now, Sa-Sa-Sally
Hey, be with me tonight

Well, my feet hurts by now
Your nerve-ends pulsating, no-no-now
Our fingertips merge as one, love, love, love, love
Gotta going, keep it going now, we're freaking out, freaking
out
Gotta make some love in our room, love, love, love, love
