

Jordu

(life is a groove)

A

I told you once before, my friend Jordu,
this is the kind of thing I love to do,
so if you say you really want me to,
I'll play for you

A

I use to dream of
playing jazz all night,
so if you ask me nice,
well I just might,
pick up my microphone and sing for you,
only for you

B

Jazz is a way to get lost,
along the way (and) to work
out our cares and woe,
If you close your eyes
you will soon realize,
that life's lesson is to let go

A

And so my friend you can plainly see,
this is the kind of
thing that is for me,
as long as we can play in harmony,
life is a groove.
