

# Dreamer

## Intro

Let me be your dreamer, let me float  
I can see the whole world from my own little cloud  
Up on the Milky Way  
I'll stay here forever and a day

## A

You can't pin me down  
I fear all-solid ground  
I'd rather be alone at tea  
Love when nobody's making me

## A

Oh, boys just make me cry  
Believe me, I have tried  
I've made my rounds  
Kissed some mouths  
Trust me, I don't want a single soul around

## B

Oh, I'm giving up, I'm throwing in my hat  
I can't take another lifeless little chat  
I'm moving up into a cloud, into my fantasy

And no boy's gonna be so smart  
As to try and pierce my porcelain heart  
No boy's gonna kill the dreamer in me

## **Interlude**

### **Solo(s)**

**A**

Some might call me mad  
The worst this town has had  
I fell right down the rabbit hole  
Legends say I fell so fast I lost my soul

**A**

Oh, my melancholic days  
Are few and far away  
I've had enough  
Called it off  
As far as I'm concerned, this witch is numb to love

**B**

Oh, I'm giving up, I'm throwing in my hat  
I can't take another lifeless little chat  
I'm moving up into a cloud, into my fantasy

And no boy's gonna be so smart  
As to try and pierce my porcelain heart  
And no boy's gonna kill the dreamer in me

### **Coda**

And no boy's gonna be so smart  
As to try and pierce my porcelain heart  
No boy's gonna kill the dreamer in me
