# Lost in pardise

Ali

#### Intro

## **Couplet 1**

Gotta get it homie gotta move it
If you gonna do it then hoka ni no tsugi
Everybody just talk nobody really do it
Nan nara yaru made shitoke yo himitsu ni
Dareka to kakunin nante fuyou
Jibun no jajji dake de break the walls
Dohade na fake yarou yori
Cool ni low ni prove them wrong

#### Pré-refrain 1

I won't give up the fight in my life Cause my life is living for love And I won't give up the fight in my life Stand off and groove on time

#### Refrain 2

Tokyo prison
I'm going to relight your feeling
When time gets rough
Night and day are fading
I'm going to relight your feeling
There's no time to explain

### Thème Transition

### **Couplet 2**

Oh nothing is for real
That's how you make me feel
I got beaten, stompin' on love
Pick up my wasted time
Oh god might understand.
Nobody can't hold me down

#### Pré-refrain 2

I won't give up the fight in my life Cause my life is living for love And I won't give up the fight in my life Stand off and groove on time

#### Refrain 2

Tokyo prison
I'm going to relight your feeling
When time gets rough
Night and day has are blending
I'm going to relight your feeling
Light up every last one of them
