Kuukyo no aida ni bokura narabitate
Ima kara tobira wo hiraku kara

Just open your eyes like us
Just open your hearts like us
Just open the world like us
We know we are reckless
Just open your eyes like us
Just open your hearts like us
Just open the world like us
Don't stay, don't blame !

Get down
We all let you know this time
Can you bring me down
Back up, gets far of the sky, black rover

Itsuka tomo ni miyou
Ima wa kuro ni someyou
Konna fuzaketa jidai black rover
