

# Runaway

Jamiroquai

Can you dig it? There's something in the air tonight  
Got a one way ticket, baby don't you wanna ride?  
Got to make it, make it to the other side  
I've got demons snapping at my heels tonight

I just want to run away, turn me loose  
Got people around running me down, I can't stay  
I just want to get away, I just want to get away now  
Get them off my back today

Can you feel it? I'm stuck inside a hurricane  
Chasing rainbows, can't you see I'm going insane?  
I wanna be a free man but I'm spinning on this crazy wheel  
I'm jumping for the high bar, can't you dig it?  
No longer know what I feel, can't you see?

I just want to run away, turn me loose  
Got people around running me down, I can't stay  
I just want to get away, I just want to get away now  
Get them off my back today

I just wanna run away  
Turn me loose, turn me loose  
Turn me loose, turn me loose

Got to make it, got to make it  
Got to break it, got to make it

I just want to run away, I just want to run away  
Got people around running me down I can't stay  
Can't stay no more no  
I just want to get away, I just got to get away  
Get them off my back today

I just want to run away  
I just want to get away  
Turn me loose, run away run away  
Got people around running me down I can't stay  
Runnin' away, runnin' away

I just want to run away  
Just got to get away  
Turn me loose, run away  
Get them off my back today
