

Lose Control

Teddy Swims

Couplet 1

Something's got a hold of me lately
No, I don't know myself anymore
Feels like the walls are all closing in
And the devil's knocking at my door, whoa

Outta my mind, how many times
Did I tell you I'm no good at being alone?
Yeah it's taking a toll on me, trying my best to keep
From tearing the skin off my bones
Don't you know

Refrain 1

I lose control
When you're not next to me?
I'm falling apart right in front of you
Can't you see

I lose control
When you're not next to me?
Yeah, you're breaking my heart, baby
You make a mess of me

Couplet 2

Problematic, problem is
I want your body like a fiend, like a bad habit
Bad habit's hard to break when I'm with you
Yeah I know, I could do it on my own, but I want
That real full moon black magic and it takes two

Problematic, problem is
When I'm with you I'm an addict
And I need some relief, my skin in your teeth
Can't see the forest through the trees
Got me down on my knees, darling please, oh

Refrain 2

I lose control
When you're not next to me
I'm falling apart right in front of you
Can't you see

I lose control
When you're not next to me?
Yeah, you're breaking my heart, baby
You make a mess of me, yeah

SOLO

Refrain 3

I lose control
When you're not here with me
I'm falling apart right in front of you
Can't you see

I lose control
When you're not here with me?
Yeah, you're breaking my heart, baby
You make a mess of me
