Gm **Dm**
Day after day I dissipate away
A **Dm**
It seems to me okay is the only word I say today
Gm **Dm**
Lies that grind right through your hollow mind

To find that time itself has always been on your side
Gm **Dm**
Rewind pass reverse, same lines that you rehearse
A **Dm**
Same lies when you've been hurt, tryin' to swallow your worth
Gm **Dm**
Matter of mind, matter fact stay on your grind
A **Dm**
And come back and recognize in a lucid state of mind

[Verse 3]

Gm **Dm** **A** **Dm**
Time disagrees with the roots and trees
Gm **Dm** **E** **A**
Dyin' to glimpse the day, heyy
Gm **Dm** **A** **Dm**
I've tasted gravel and I've watched it unwind
Gm **A** **Dm**
But I'm still so far away

Right in your space I just walked through your door
Gm **A** **Dm**
But I'm still so far away

They left me!
