

# Mr. Eclectic

Bet you think you're so poetic  
Quoting epics and ancient prose  
Truth be told, you're quite pathetic  
Mr. Eclectic Allan Poe

Did you ever stop and give a wonder to  
Just who you were talking to?  
The very expert on the foolish things  
That men have said to woo and win me over  
What a poser, you think you're so interesting

Twist my hair around your finger  
Oh, grandiose thinker of mine  
Talking 'bout some dead composer  
You're just a stoner patronizing me

Did you ever stop and give a wonder to  
Just who you were talking to?  
The very expert on the foolish things  
That men have said to woo and win me over  
What a poser, you think you're so interesting
