

# Rhythm is love

If I try to take you there, would you come with me?  
The reason flies, the fear is scare, the ocean loves the sea  
If I try to take you there, would you come with me?  
The reason flies, the fear is scare, the ocean loves the sea  
I say the ocean loves the sea  
I say the ocean loves the sea

Rhythm is love  
Heaven is just another world for the feelin' called musical  
Hey, yeah, yeah  
Hey, hey you  
Oh, whoa-oh

Color is lust  
Because all of the sexual things we do  
In my mind I trust you make 'em all colorful  
Hey, yeah, yeah  
Hey, hey you  
Oh, whoa-oh

I'd like to put you in such a romance  
Take you down to Paris, France  
Leave the cafés and the bars  
Walk the wintry boulevards  
Hey, yeah, yeah  
Hey, hey you  
Oh, whoa-oh

Is that a smile I see?  
Huh, maybe you're not even looking at me  
If you smile for no reason  
The season is lost  
People love is the rhythm

My rhythm is love (my rhythm is love) babe
